

Team Involvement in Demonstration

Date	5 july 2026
Team ID	
Project Name	HDI Prediction System using Machine Learning and Flask
Maximum Marks	1 Mark

Team Involvement in Demonstration:

This project was developed and demonstrated by a team of two members. Both members contributed throughout the project lifecycle, from planning and implementation to testing and documentation. During the final demonstration, each member presented their assigned modules, showcasing the collaborative effort that led to the successful completion of the HDI Insight AI project.

S.No	Team Member Name	Role in Demo	Section Presented	Contribution Summary	Participation (Active / Passive)
1	Godey Sai Harishma	Team Leader & Presenter	Project Overview, Dataset, ML Model, Flask Integration	Led the project, developed ML model, backend integration, testing, and presented core implementation	Active
2	Laxmanna Kuruva	Co-Presenter	Frontend & Testing	Led the project, developed ML model, backend integration, testing, and presented core implementation	Active

Team Coordination Notes:

Aspect	Details
Team Leader / Coordinator	Godey Sai Harishma
Overall Team Coordination Rating (1-5)	4/5

Any issues during demo	Minor UI alignment and testing issues were identified before the final demonstration.
How issues were resolved	Team members reviewed the application together, fixed the issues, retested the system, and ensured all functionalities worked correctly before the demo
